

DISRUPTIVE DESIGN

Disruptive Design is both an angle to get ahead of your competition as well as a methodology often used in the industry.

We are looking at getting ahead of your competition, looking at your idea and target market and going through a process with you that will help you think out-of-the-box in terms of technology, customers and markets, ideally finding an approach that gives you that "unfair-advantage".

innova.ventures is a globally active management consulting firm. Our mission is to enable companies to become more innovative. Our target companies range from start-ups to scalable enterprises. Our services span from light weight coaching, mentoring and consulting to heavy lifting access support to global markets.
